BOWLING NEWS

All the players in the Elks billiard tournament which will close this evening at 9 o'clock are requested to meet at the Elks home at 9 o'clock tonight to attend a banquet to be tendered by the tournament. The committee in charge of the banquet, consisting of Robert Patterson, G. B. Lively and Louis A. Carr, requests that every player attend for a good time will be in store for all.

The last game of the Elks Duck Pin League to be played resulted in two victories out of the three on the club alleys Thursday evening for Captain Carter's team over the boys led by Captain Louis A. Carr. The winning of two of the three games by Captain Carter no makes three teams, Carr's Morris's and Wilson's tied for first place. Since the three teams are tied for first place more rolling will be necessary to break the tie.

Before the contests last evening the Carr's needed two of the three games to win the pennant and one to tie with two other teams. The Carrs came mighty close winning but lost by a few pins.

Captain Carter appeared with a short team. Dresbach, his best roller, being out of the city. Captain Carr allowed Edward Lewis to fill in with the Carrers and after so consenting saw Lewis win the last game for the Carrers when he got 120 out.

Captain Carr was minus the services of his best player, McNulty. Had he been present the result might have been different. The Carrers won the first game by seven pins. Carr struck in the tenth as anchor man and had the game won until Hoffheimer spared and got nine on it, also in the tenth.

The Carrs were never headed in the second game and they got away in the third with a lead of twenty-five pins which they held until the eighth frame when Lewis's rolling pulled them down to defeat.

Blair Willison had the individual high score of the evening, and rolled for a total of 339 while Louis Carr led his team with high score of 117 and got 232 out. The pennant will be decided next week when the three teams tied will roll three games each, total pins to count. Scores:

S.S.S. HEALS SORES AND ULCERS

S.S.S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S.S.S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S.S.S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write.

The Peevish Child Needs a Laxative

It is natural for a child to laugh and play and when it sulks drowsily or cries you may depend on it something physical is the matter. If you see no evidences of a serious ailment you will not be wrong if you quietly give it a dose of mild laxative that evening on putting it to bed.

The remedy most generally recommended for this purpose is Dr. Caldwell's Syrup Pepsin, which mothers throughout the country have been giving their children for a quarter of a century. Today thousands of families are using it where hundreds used it then, and there must be good reason for this word of mouth recommendation.

It is admittedly the perfect laxative for children, women, old people and all others who need a gentle bowel stimulant and not a violent salt, cathartic pill or doctored water. Dr. Caldwell's Syrup Pepsin will act gently, and when taken before retiring will bring complete satisfaction in the morning.

After a short use of this remedy all forms of outside aid can be dispensed with and nature will again act alone.

All classes of good American people keep it in the home for ill of the stomach, liver and bowels, and among the thousands who have written the doctor that they will never be without it are Mrs. Julia Bridges, 69 Voss St., Norfolk, Va., and Mrs. D. A. Gavette, 333 W. Water St., Harrisburg, Va. A dose of it has saved many a person from a serious illness.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.
